

# Corpus Christi Drama Club

The purpose of the Corpus Christi Drama Club is to offer sixth, seventh and eighth grade students the opportunity to express themselves through the theater arts.

Along with acting in the annual spring production, drama club members will learn about such technical crafts as set design, stage properties, costumes, lighting and sound. The ultimate goal of Drama Club is for students to gain self-confidence, understand the commitment and responsibility required to put together a production and have a greater appreciation for the theater.

The Drama Club will be meeting every Tuesday from late September through April and more frequently thereafter, as parts are cast and scenes worked on for the spring production. For the months of September and October, the meetings will last approximately one hour and will increase in length in the upcoming months. The official schedule will be sent home and posted on the school website. Students will be escorted to the parking lot or extended day room at the conclusion of each meeting.

Please sign and send this form in with your child to the first drama meeting. Students without a form will not be allowed entrance to the meeting. We are eager to involve as many parents as possible in our production and ask that you let us know if you are interested in helping us. **Please note that the school play this year will be over the Memorial Day weekend on Friday, May 28, 2009.**
