

**NEW FOR 2011-2012!**

# **CORPUS CHRISTI SCHOOL FAMILY SERVICE PROGRAM**

Corpus Christi School is proud to implement a new Family Service Program for our upcoming school year. This program will provide new opportunities for families to become more involved in their children's school life, be more active participants in the school community at large and even a chance to make new friends!

Starting with the 2011-12 school year:

- two parent families will need to donate 20 hours of volunteer service throughout the school year.
- single parent families will need to donate 10 hours of volunteer service throughout the school year.

Many opportunities for volunteering will be available — from being room parents to working lunches and even some “at-home” work, plus much more.

If for some reason you can not commit to volunteer hours, a “buy-out” of \$200.00 will be offered (\$100 for single parent families).

**The Family Service Program Handbook is included here with details about volunteer opportunities. PLEASE FILL OUT ENCLOSED FORM AND RETURN BY JUNE 10th. We have many areas that need to be filled immediately in order to get things ready for the new school year and volunteer positions are first come, first serve!**
