

Corpus Christi School Family Service Program 2011-2012 REGISTRATION FORM

Hello Corpus Christi Families!! The new Corpus Christi School Family Service Program has begun and now is the time to sign up for next year's volunteer opportunities. There are many opportunities for each family to fulfill their hours - from chairing events to volunteering in the school - so take a look and sign up NOW - first come, first serve!!! Please return this form by June 10th - there are some opportunities that need chairpeople immediately so planning for fall events can get underway. If chairperson positions are not filled, events and services will be canceled. Here's how the program works: families must donate 20 hours of volunteer service throughout the year (single-parent = 10 hours). If a family can not commit to their hours, a buy-out program of \$200 dollars (single-parent = \$100) is offered. See CCSFSP Handbook for more details on the opportunities provided.

A FEW NOTES...

A CHAIRPERSON POSITION FULFILLS THE 20 HOURS OF THE FAMILY SERVICE PROGRAM. A chairperson is responsible for overseeing the organization/planning of the event, determining volunteer needs, delegating tasks, managing budgets, and communicating with the PTO. Chairpersons are required to attend the event that they are chairing.

AS NEW EVENTS ARISE, VOLUNTEER NEEDS WILL BE ASSESSED AND HOURS COUNTED TOWARD THE FAMILY SERVICE PROGRAM.
