Registration

As many of you know, the Bus shuttle is in high demand and we often have a waiting list for it. To register for consideration for Bus service for the 2008-2009 school year, please complete the enclosed Bus Survey form **for each child** and return the form as soon as possible and no later than **May 1, 2008**. Children will be considered for placement for Bus service on a **first come first serve basis** so it is important that you return your forms and Registration Fee as soon as possible. Even if your child is riding the bus for the current school year, you still must complete and submit a Bus registration form.

Payment Procedures

As discussed above the Registration fee is due with the Registration form as soon as possible but no later than May 1, 2008 if you would like your home location considered in the planning of next year=s route. Otherwise your child can only be added to an existing stop.

Monthly charges for bus riders will be made through FACTS over nine months (September through May) unless the full year=s fees are paid by July 1, 2008.

Route Assignments and Fee Notification

You will receive written notification, by mail, of your bus stop location and monthly payment amount. No requests for bus service will be accepted between August 15, 2008 and October 1, 2008. This is a rule dictated by the Williams Bus Lines.

Please call Peg McCall at (703) 820-7450 ext 21 if you have any questions or concerns about the Bus Service.

Sincerely,

George E. Chiplock, Jr.
