RE: Diocese of Arlington Tuition Grant Program – School Year 2008-2009

The Diocese of Arlington is pleased to provide a Tuition Grant Program for parents of students attending our Diocesan Catholic schools. Interested parents are asked to submit the FACTS student aid application form, as well as a processing fee of \$20.00*, to FACTS Management Company. FACTS is the company contracted by the Diocese of Arlington to provide a confidential and objective financial analysis in determining a family's ability to pay for Catholic School education.

In order to become eligible for receiving funds from this program, K-12 students (pre-school is not eligible) must satisfy all of the criteria described below:

- A baptized Catholic or convert officially received into the Church
- Family resides within the boundaries of the Diocese of Arlington
- Family is registered and an active member of the parish or the family belongs to a military post parish
- Student attends or is accepted by a Catholic school in the Diocese of Arlington.

The funds from the program will be paid directly to the school that the qualifying student attends. Schools will then credit the tuition accounts for those families who have been approved to receive aid for that school year. When submitting your application, please be sure to answer all the questions on the student aid form and include all the documentation requested in the instructions. Applications can also be completed on line (www.factstuitionaid.com). The deadlines for filing an application are: February 15, 2008, for the first round and April 11, 2008, for the second round.

Please know of our appreciation for your continued commitment to provide a Catholic education for your children.

*Corpus Christi School will be paying the processing fee for its students. If you are currently enrolled or are applying for admission do not send the \$20 fee.
