

Corpus Christi School
HANDBOOK AGREEMENT
2007-2008

PARENT/GUARDIAN

I have received a current copy of the Parent/Student Handbook. I acknowledge and agree to the policies contained therein, and will require my son/daughter to comply with the policies which apply to students.

I have read the summary of the emergency plans in the Parent/Student Handbook (Appendix B) for Corpus Christi Elementary School. I agree that our family will: make sure that contact information is updated at all times in case the school needs to contact us; make sure that vital medication, emergency phone numbers, etc. are given to the person/persons we want to take care of our child/children in the event of an emergency and we unavailable to take care of them; if my child takes routine prescription medication at home, I will provide the same medication to school for emergency use. I understand that a complete pink medication form must accompany each medication. I will assure our child/children that he/she will always be safe at school and that we will pick him/her up as soon as it is safe to do so.

I also realize during my son/daughter's enrollment at the school I will be informed from time to time, formally or informally, of various changes in school and/or Diocesan policies. I understand the school and /or the Diocese reserves the right to change policies at any time with or without advance notice. I further understand it is required for me to sign this form in order to continue my son/daughter's enrollment at the school.
