ATENCION

Ayuda en español para completar la aplicación se puede obtener por medio de la escuela en la oficina principal o por teléfono, 703-820-7450 x15.

WAIT LISTING

Insufficient enrollment in certain grades by February 29 may result in the creation of wait lists. Please return your re-registration promptly to insure your child's place in the School.

KINDERGARTEN LUNCH

Kindergarten students may participate in an optional hot lunch program (includes milk). The fee is \$275 per semester and may be ordered by the semester (August to mid-January; mid-January to June). Additional information and registration forms will be included in a summer mailing.

MID-YEAR ADMISSIONS/WITHDRAWALS

Students entering or leaving the school during a school year will receive prorated tuition based upon whole semesters (August to mid-January; mid-January to June). A student enrolled for any part of a semester will be charged tuition for that entire semester.

TUITION ASSISTANCE APPLICATIONS

Families requesting tuition assistance must reapply each year. Receipt of an award for the 2007-08 school year will not qualify you for assistance in 2008-09.

If you will not be using your tuition assistance application, please return it to the Finance Office.
