

# **Important Immunization Requirements for Children Entering Kindergarten**

**The State of Virginia requires that all students entering Kindergarten must have a current Virginia Physical with the following criteria completed:**

- **Two (2) measles, mumps, rubella (MMR) vaccines**
- **Vision Test**
- **Hearing Test**
- **Urinalysis Test**

**Students without a complete physical will be excluded from school until proper records are received. Please submit records as soon as possible.**

**If you have any questions please contact Margaret Stanley the school nurse at (703) 820-7450 ext. 13.**
