

OFFICE DEPOT EXTENDS THEIR ‘5% BACK TO SCHOOLS’ PROGRAM TO LAST ALL YEAR!!!

Office Depot has now extended the “5% Back to Schools” Program to last ALL YEAR LONG!!! Every time parents, faculty or anyone makes a purchase for school-related items, the school will receive 5% back on the qualifying purchase. For summer purchases, the school just received a rebate of \$267. Thank you to all who supported this program!

If total qualifying purchases exceed \$200 for the next quarter, 1 October through 31 December, and every quarter thereafter, the school will receive an additional rebate.

Anytime you shop at Office Depot for school-related supplies or even computer supplies like printer ink, please tell the cashier, **BEFORE they ring up your items**, to credit your purchase to the back to school ID for Corpus Christi School listed below. Thanks for supporting us!!

To make it even easier, cutout the barcode below for the school’s ID and keep in your wallet. Hand the barcode to an Office Depot cashier to scan or to key in the ID!!

Remember for the upcoming science fair project items like backboard displays, construction paper, etc. can be purchased from Office Depot.
